Chamber Protest Sparks Building Razing Order

Government Told Postoffice Site 'Eye-Sores'

A protest by the Chamber of Commerce over housing conditions on the site of the proposed new postoffice building between East Second and Third Streets brought about the recent government decision to raze the buildings about March 1, 1950, it was reported today by J. In a letter to the Public Buildings Administration last August, Chamber President Henri M. Hall declared the government-owned buildings are "eye-sores and trouble breeders."

The letter urged that the government be prompt in correcting the condition. According to reports by city officials, most of the buildings have been condemned by fire and health authorities.

Dear Carol,

I'm so very sorry that I haven't written to you before, but better late than never.

How time flies. It's exactly 3 months since we came home from the US. And we had a wonderful time over there. And it was also very nice meeting you - my "new" relative. I'm sorry it was such a short time you were able to stay with us. But perhaps you will visit Sweden some day. You know that you are so wellcome to stay with us.

Thank you very much for the papers you sent to Elsie while I was there. They are very interesting to me. As I said in the beginning we had a wonderful time in the US and saw many interesting places and things. Elsie and Ed took us first to Sea-World and then to Niagara Fall, which was very, very impressing. We spent 2 days

PS I'm enclosing some pictures, to show part of our time in the US. Hope you like them! DS

there. But of course it is rather commercialized and they try to get as much money as possible out of people. I'm rather impressed that there were so many people there. But there is quite a lot to see and experience.

On July 1, we went to Minneapolis to visit Birger's second cousin. He took us to many interesting places, where Swedes had settled down. I guess you have heard about the Swedish writer Wilhem Moberg, who wrote some books about Swedes who emmigrated to the US at the end of the 19th century. They came to towns like Taylor's Falls Scandia, Lindström a.s.o. I Scandia we visited a cemitary where all the buried had Swedish names like Olson Jonsson, Jacobsson and so on. Rather interesting. We also went to northern Minnesota and walked over the source of mighty Mississippi. That was something

On July the 7 we went back to Sweden via Charlotte in N. Carolina and New York and arrived safe and sound in Sweden on July the 8th happy but very tired. The jet-leg you know. This is all for now. Hope to hear

The Roll of Honor

Containing the Names of Soldiers, Sailors and Marines of all the wars of our country who are buried in the cemeteries of Cook County, or the Garden of the Dead, together with the military record and place of burial of each of them as completely as they can be ascertained.

"The muffled drum's sad roll has beat
The soldiers' last tattoo;
No more on life's parade shall meet
The brave and daring few.
On Fame's eternal camping ground
Their silent tents are spread,
And Glory guards with solemn round
The Bivouac of the Dead."
—Theodore O'Hara.

E. R. Lewis, Compiler

This book is dedicated to the memory of those who stood by the best interests of our country in its time of peril.
